|----------|-------------|--|----------|

The Department proposes to establish international service mail rates for the period January 1, 1999, through December 31, 1999. The rates that are currently in effect were established by Order 98-10-25, served October 28, 1998, for the period July 1, 1998, through December 31, 1998. Those rates will remain in effect as final rates through December 31, 1998, or until a final order is issued with respect to the rates proposed here, whichever is later. Accordingly, all interested persons are directed to show cause why the Department should not adopt the foregoing tentative findings and conclusions and fix, determine and publish the proposed final rates specified in Appendices A-1 and A-2 to be effective from January 1 through December 31, 1999, or until further order of the Department, whichever occurs later.
